LOCAL AND REGIONAL EVENTS

- Come and hear from all three finalist teams: touch on critical issues such as sustainability goals. The public is invited to participate in a Q&A and a public lecture at the UC Davis Conference Center. This public lecture will feature each team's design approach and the chosen works represent a myriad of places to escape, ranging from virtual space to locations as close as 100 miles from campus. We invite you to discuss as a group more specifically what kind of space we want to create. The first meeting will be on Tuesday, April 2nd from 6pm to 7:30pm. If you are interested, please email the Design Deliberation project team at design.deliberation@ucdavis.edu if interested, or feel free to come by on April 2nd.
