ABOUT THE FILM FESTIVAL
Welcome to the Department of Theatre and Dance 12th Annual UC Davis Film Festival.

The Festival is produced in association with Cinema and Technocultural Studies, co-sponsored by Art Studio.

We are proud to present the work of student filmmakers from across the UC Davis campus including the alumni community. Our aim is to showcase the many and diverse voices that have chosen the short film as their means of expression.

We are proud to present a program that runs over two nights. For the second consecutive year, the festival is a testament to the growing number and quality of submissions received.

The UC Davis Film Festival continues to grow. Our students are passionate about their work and we are passionate about their success.

Thank you for your support and enjoy the show!

PARTICIPATING UC DAVIS DEPARTMENTS AND PROGRAMS
Department of Theatre & Dance
Each year the Department of Theatre & Dance presents a vibrant mix of productions and performance styles that reflects the collaborative, multidisciplinary focus of our academic program, in which students can pursue a BA in Dramatic Art, an interdisciplinary (acting, directing, choreography, design) MFA and an interdisciplinary PhD in Performance Studies. http://theatredance.ucdavis.edu

Cinema and Technocultural Studies Program
The Cinema and Technocultural Studies (CaTS) program combines the study of audio-visual and digital media, theories about such media, and the relevant modes of artistic practice and production. Current fields for teaching and research in CaTS include the history and analysis of film and video, film and video production, electronic music, digital content creation and design, the digital arts, community media and activism, animation, and photography -- as well as the theories and politics of these various areas.
