ROBERT AND MARGRIT MONDAVI CENTER FOR THE PERFORMING ARTS

See reverse for map, directions and parking information

RSVP by Monday, February 3, 2014, by returning the enclosed response card

RED ATTIRE ENCOURAGED
The UC Davis Women’s Cardiovascular Medicine Program (WCVMP) lead by Dr. Amparo Villablanca and the UC Davis Department of Design’s Museum Curator Adele Zhang have partnered in celebration of the American Heart Association’s National Wear Red Day® to increase awareness of heart disease which is the leading killer of women, and men, in the United States.

In its fifth year, the partnership has brought together design students to create red dresses in a tribute to someone in their lives who has been touched by heart disease.

The proceeds from this event will fund medical education and research by the WCVMP, design projects for heart health education and awareness for the design department, establishment of a web presence for a continuing campaign and information exchange about these programs, and spread the word about heart disease prevention.

MAP AND DIRECTIONS

GPS COORDINATES:
38.534564
-121.749097

FROM I-80 WEST (from Sacramento), take the UC Davis/Mondavi Center exit. Turn right onto Old Davis Road and continue north to the parking structure entrance on the right.

FROM I-80 EAST (from Bay Area), take the UC Davis/Mondavi Center exit. Turn left onto Old Davis Road and continue north to the parking structure entrance on the right.

FROM HIGHWAY 113 SOUTH (from Woodland), take the I-80 east off-ramp towards Sacramento. Take the UC Davis/Mondavi Center exit near the end of the ramp and turn left onto Old Davis Road. Continue north to the parking structure entrance on the right.
