

Design Computer Lab Pricing Sheet

Laser Cutter Pricing (24" X 18" maximum size, 0.25" maximum depth)

<u>Cutter Activity</u>	<u>Cost</u>
Each File or Layer Set Up Fee/Send file to Cutter	\$2
Timed Cut Charge	\$1 for every 2.5 min
New Material Test Charge	\$2

* The minimum charge for any cut will therefore be \$3

* Allow for a test area or test piece of material for each new type of material
(the settings for each material are different and tweaking the settings may be necessary)

* No PVC, vinyl, double corrugated cardboard (due to dangerous fumes that damage the machine or the risk of catching fire)

*WARNING: Multi-layered objects composed of different materials may cause uneven cuts and scorch marks.

Ioline Pattern Plotter Pricing

\$1 per 2 foot increment
